A black and white photograph of a two-story house. The house features a prominent porch with two thick, square columns. The columns are finished with a brick base. The porch has a white railing on the upper level. The main floor has two doors: a light-colored, paneled door on the left and a dark door on the right. A window with a white frame is visible on the right side of the house. In the foreground, there are concrete steps leading up to the porch, and some small plants are growing. A black sign with the word "POSTED" in white capital letters is mounted on the left brick column.
