A black and white photograph of a modern building's entrance. On the right, a large glass door features the name 'Fernando ROMERO' in a white, elegant script font. The name 'Fernando' is in a cursive script, while 'ROMERO' is in a clean, all-caps sans-serif font. To the left of the door, a balcony area is visible, featuring a large, dark patio umbrella, a tall potted plant with long, thin leaves, and a smaller potted plant. The building's facade is light-colored with a prominent circular architectural element. The overall scene is brightly lit, creating high contrast between the dark shadows and the light surfaces.
