Dear Sir.

I have this morning bought
15 bales Cotton at $9\frac{1}{8}$ and
send it by Erie Railway - It
is not just right but it was
the best I could do -

I intend to leave here Monday
at 5 o'clock and if the train
connects at Albany shall be
with you on Tuesday Mor-
ning - If not it will be
Wednesday morning -

Please say to Mr. Warner
that we send \$3000 on the
5th Yours truly
J. M. Patterson
