2. Beach White 1, northwest Tinian, 60 yards wide. U.S. Marines successfully landed on this tiny beach in 1944.

3. Beach White 2, Tinian. Because the Japanese mined this 120-yard-wide beach, U.S. Marines had to jump to the coral ledges on either end.

4. One of two Japanese pillboxes that covered Beach White 2, Tinian.
