CBA-9

A black and white photograph of a two-story building facade. The upper story is light-colored with a decorative cornice and a central pediment. A sign above the ground floor reads "SMITH'S COLONIAL". The ground floor is dark, possibly stone or brick, and features a central bay window and two side entrances with shutters. A utility pole is on the left, and trees are on both sides. The foreground shows a paved area with white lines.
