A black and white photograph of a dilapidated, single-story concrete building. The building's exterior is heavily weathered and cracked. A large, rectangular sign is mounted on the side of the building, featuring the text "FOR SALE BUSINESS SITES" in bold, uppercase letters. Below this, in smaller text, it says "CALL 778 0292". The building is partially obscured by tall, dense grass in the foreground and various trees and shrubs. The sky is overcast and grey.
