Main (North) facade -

(Showing west side with
Kitchen addition in rear)

Front appears as it did when
built in 1870-1875

Stairway on west side

There has always been an
exterior stairway on the west
side. The owners moved the
stairway toward the front in 1982,
using a window as the door with
very little alteration

Kitchen addition on west
Rear side - Added in 1982 as
fire safety feature: This gave
a fire-rated kitchen without
altering interior of original
building.
