EL GARCES

A black and white photograph of a building's facade. The central focus is a stone or concrete lintel with the name 'EL GARCES' carved in a bold, sans-serif font. On either side of the text is a circular emblem containing a cross. Above the lintel is a balcony with a dark metal railing. Below the lintel, two columns are visible, supporting a lower level of the building. The image shows signs of age and wear, with some discoloration and shadows on the stone.

NEEDLES

A black and white photograph of a building's facade. The word "NEEDLES" is carved in large, block letters into the wall above a portico. The portico is supported by four tall, white, fluted columns with decorative capitals. A dark metal railing runs along the edge of the portico. To the right, the fronds of a palm tree are visible. The building has a flat roof with a decorative cornice. The lighting is bright, creating strong shadows.
