A black and white photograph of a building's exterior, focusing on an entrance. The building features Art Deco architectural elements. A prominent decorative frieze with intricate, symmetrical floral and scrollwork patterns runs horizontally above the doorway. Above this frieze, the number '155' is displayed in a bold, black, sans-serif font. To the right of the number, there is a circular, recessed architectural element, possibly a porthole or a decorative niche, which contains a dark, textured interior. The building's facade is light-colored, and the entrance area is dark, creating a strong contrast. The overall style is characteristic of the 1920s or 1930s.
