A black and white photograph of a classical architectural pediment. The pediment is supported by two acanthus capitals, which are highly detailed with scrolls and leaf-like patterns. The pediment itself is decorated with a central medallion featuring a cluster of grapes. Below the pediment, a dark rectangular sign is mounted on the wall, containing the text "Service Information Center" in a white, sans-serif font. The background shows a portion of a building with a window and a balcony railing.
