DIRECTORY

The directory board is a rectangular panel with a dark background and a light-colored border. It is divided into several vertical columns by thin white lines. The text within the columns is mostly illegible due to the dark lighting and reflections. The word "DIRECTORY" is printed in large, white, serif capital letters across the top of the board. The board is mounted on a wall with a marbled pattern. There are two bright, circular reflections on the wall, one on the left and one on the right, which appear to be from a camera flash or a light source. The overall image is in black and white, with high contrast between the dark background and the white text and reflections.
