2512

A black and white photograph of a classical building entrance. The scene is dominated by three large, fluted columns supporting a heavy, multi-tiered entablature. The number '2512' is mounted on the right side of the entablature. To the right of the columns is a white door with a six-pane window. In the foreground, a white railing with vertical balusters runs across the frame. A large, dark, leafy plant is positioned behind the railing, partially obscuring the view of the columns. The lighting is dramatic, with strong highlights on the columns and deep shadows in the recesses of the entrance.
