OPEN
ENTRANCE

A black and white photograph of a road sign. The sign is rectangular and dark with white text. It is mounted on two metal posts. The text on the sign reads "TOMBSTONE" in large, bold, sans-serif capital letters. Below it, in smaller capital letters, is "A REGISTERED NATIONAL HISTORICAL MONUMENT". The sign is located on the right side of a paved road. In the background, there is a hillside with a wooden building and a sign that says "BOOTHILL GRAVEYARD". The sky is overcast and there are utility poles and wires visible.
