

First State Bank

A black and white photograph of a First State Bank building. The building is a single-story structure with a prominent horizontal band across the top. The words "First State Bank" are mounted on this band in large, raised, sans-serif letters. The building features several vertical columns supporting the overhang. To the right, a drive-thru teller window is visible, with a white car positioned inside. The foreground consists of a paved parking lot and a road. In the background, there are trees and utility poles. A power line runs diagonally across the upper portion of the image.
