A black and white photograph of a brick building's corner. The building features a mix of brickwork, including a decorative pattern of vertical bricks and white rectangular accents. A concrete ledge runs along the top of the brickwork, with the street names '17TH STREET' and 'WEBSTER STREET' engraved on it. A window with a dark frame is visible in the upper left, and a large window is on the right. A metal railing is visible in the lower foreground.
