A black and white photograph of a single-story municipal building. The building features a prominent gabled roof and a facade made of light-colored, rough-hewn stone. Three large, dark, semi-circular arches are spaced across the front. A central set of concrete steps leads up to the middle arch, flanked by small metal railings. A rectangular sign is mounted on the wall above the steps. The sign has a white background with black text. To the right of the building, there is a large, dark, rounded bush. The foreground shows a paved sidewalk and a road.
