Photo 5

A black and white photograph of a brick building's exterior. On the right, a white-painted pillar features the address number '855'. To the left of the pillar is a large, multi-paned window with a dark frame. Below the window is a brick ledge with faint, illegible text. The building's base is finished with a concrete foundation. A sidewalk runs along the front, and a tree trunk is visible on the far left. A dark door with a small window is partially visible on the right.
