CERTIFICATE OF MERIT
BETTER HOMES & GARDENS
1935 NATIONAL BETTER HOMES CONTEST

Awarded to

Mr. and Mrs. Mark L. Monteith

because the illustrious architects who acted as the national jury and the *Better Homes & Gardens* editorial staff selected this home improvement from among 19,716 entries as being most deserving of one of the meritorious mention awards. The home has been made more comfortable, better serves the convenience of the family, or its architecture has been improved; it fulfills one or more of these three contest conditions.

In testimony of BETTER HOMES & GARDENS' approbation:

Fred Cohen

President, Meredith Publishing Company

Elmer Peterson
