A black and white photograph of a large industrial dry dock. In the foreground, a concrete walkway is visible, with a white sign with a black border that reads "D.D. 2". The sign is supported by a metal post and is strung across the walkway by two horizontal chains and a white rope. The dry dock itself is a large, rectangular basin with high, dark metal walls. In the background, there are several industrial buildings, including a large one with a sign that says "HOTEL". There are also several tall, thin light poles and a large crane on the right side. The sky is overcast.
