The image shows a black and white photograph of a building's entrance. The entrance is framed by a classical pediment supported by two columns. Above the pediment is a large window with three panes. To the left of the entrance, a sign on a pole reads "15 MINUTE ACTIVE LOADING UNLOADING" with an arrow pointing left. Below the sign is a utility box with the number "16" on it. To the right of the entrance, there is a small dark object on the ground, possibly a fire hydrant or a trash can. The building's facade is made of large, rectangular blocks.
