A black and white photograph of a street scene. In the foreground is a paved road with a double white line. A sidewalk runs along the front of a row of buildings. The central building is a single-story structure with a gabled roof and a decorative pediment. The pediment features a diamond-shaped window with a cross inside. Below the pediment is a large arched window. The main entrance is flanked by two columns and has a small set of steps. To the left of this building is another structure with a sign that reads "FAYES & ALTRA IONS". To the right is a smaller, simpler building with a dark door and a window above it. In the background, a taller, multi-story building with several windows is visible. The sky is filled with clouds, and a utility pole with wires is on the right side.
