A black and white photograph of a stone marker. The marker is a stack of several large, dark, rounded stones. The word "WATER" is carved in large, white, block letters across the top stone. The marker is situated on a patch of ground with some grass and fallen leaves. In the background, there is a wooden structure, possibly a boat or a shed, and a person's legs are visible on the right side.

A black and white photograph of a stone marker. The marker is a rectangular block of stone, possibly granite or a similar hard rock, with the words "WATER REST ROOMS" carved into its surface in a bold, sans-serif font. The stone is set in a natural, outdoor environment, surrounded by rocks, dirt, and some sparse vegetation. The lighting is somewhat dim, suggesting a shaded area or a wooded setting. The overall tone is somber and historical.
