Historic Name Northside United Presbyterian Common Name Same

Owner Northside Presbyterian Address 923 Mississippi Avenue, Chattanooga

Property Location 923 Mississippi Avenue, Chattanooga, TN

Map: Quad Name Chattanooga No. 105-SE Edition 1969

Historical Data: Date of Construction 1916-17 Source _____

The only Greek Revival building known to have been designed by Hunt for Chattanooga is the Northside Presbyterian Church which was built in 1916. The 1958 addition (Fellowship Hall) is compatible in materials, scale, and design to the original structure. Since its location is arranged to the side and rear of the original church, it complements rather than distracts from the church's architectural integrity.
