Mr. Romberg

- I I have changed l. 27 b. to 28 b. & Pg. 28 b. & 27 b., ie reversed their order. (Have not changed TS Numbers.)
It seems much better this way because the wood-cutting list remains in sequence (Pg. 28 a & b) as does the store goods list (27 a & b). Also the dates check better.
- II T.S. is checked with SM 14 up to end of second batch - Pg 40 A
- III TS, (Original & Copy) plus envelope & separate pieces, will be found in bookcase in back of historians room.
- IV Index is with SM R2 Notebook, as are your notes.

SM R2 (Notebook) is complete up to & including item on 27 b. reading "Mary Cramp dr. to Jacob Cramp for amt. 7.20"
(Start with item Furnace dr. to Saml V. Anderson & Sons.
