Mrs Millie A. Baker,
Eastville, Va.

My Dear Sister:-

I have your letter of April 17th and \$13.00 which I have banked to the credit of your Tent. We are working very hard to get \$1,000; and I believe if all the leaders will half way do their duty, we will have more than \$1,000. I thank you very much for your contribution, and hope another will follow.

Hoping you are well and much success, I am

Yours in L.P. & C.
