Cold & blowy
The morning spent in the
room, afternoon, 3. p.m.
attended the Community
element in the Auditorium
which has a capacity of about
1000. - I was ahead of the audience,
had the pleasure of seeing the just
turning of winter's fall the place
with a few clouds. - The school
march in by the music from
School bands and filled seats prepared
for them on the stage. - The school
Chorus numbered about 350. - Mrs
Bithum conducted the affair.
Music, vocal & instrumental. The
entire program was well executed
I was introduced and applauded
with others.

~~Lesson~~

Up early. - Had the second
drive, - Looked for a Tent in
which I might take Dr. Barts
inokaved. - Spent the entire
morn without real Success, - Staid
out driving, - Had the pleasure of
driving in the very most desful beach,
the ground, unlike other Beaches,
was firm and hard, a car could
drive on the border of the Great Atlantic
Ocean, with its white capped waves
and its deep blue color, - I felt so close
to God that a feeling of thankfulness
crept over me, - which I uttered a
prayer to Him who watch over
us all.

Very cloudy. Warm.

Up and dressed at 12 m.

Day spent reading, and
thinking of God and His
goodness. - How He has led
me by the side of still waters,
through pastures green, and
restrained my soul, - I thank Him
for His Divine leadership. - He shall
lead and guide, - All will be
well, home, loved ones; work and
workers, citizens and community interest
and all work together for good, because
I love and fear the Lord.
