There are five windows on the second floor and two arched windows on the ground floor with awnings. A large, rounded tree is on the left side of the building. A white van is parked in front of the building, and a person is standing on the sidewalk to the right. A street lamp with two globes is also visible. The building is flanked by other buildings, one with a decorative cornice on the left and another with a sign that says "OPEN" on the right.
