

Remaining south wing (1755) of House at
Middleton Place; Main House (1741) and
Wings (1755) presented a 300 ft. facade.
They were burned by Union Troops in
1865.

The earth quake of 1886 felled walls.

West elevant - Front

Middleton Place Gardens
View looking westward,
showing terraces and
gardens, across north
butterfly lake.
