The land facing Deer Street upon which the Beck site was originally laid out in 1710 and divided off western half or a larger lot with "Barn and Shay Hou 1756. This was sold in 1761 to Samuel Beck. His ho taxed \$8 in 1800 and \$12 in 1812 which suggests an i ment between those years. A rectangular central chimney house of two stor a single room in depth, the exterior is embelleshed early federal style doorway with arched fan-light. symetrical fenestration of the house has maintained original size although the sash has been replaced by 19th century two-over-two. The building site on a J unique red sandstone rusticated foundation with mat sandstone steps. Interior finish belies the early federal finish exterior with a typical Portsmouth triple-run stairce in front of the chimney and paneled overmantles of e century origin. A recent fire caused only minor dan an upstairs chamber. Modern asbestos siding and an added rear ell an
