GEORGE HART HALL

A black and white photograph of a classical building, identified as George Hart Hall. The building features a prominent pediment on the left side with the name "GEORGE HART HALL" inscribed on it. The architecture includes a tiled roof, a series of windows with decorative railings on the upper level, and a corner structure. The building is partially obscured by dark foliage in the foreground.

5. Location of Negative: Robin E. Dattel, 645 C Street, Davis, CA 95616.
6. Description: View of the rear (courtyard) side of Hart Hall, showing the tower, semi-basement, and parts of the S and E wings.
7. Photograph Number: 6. of 13

A black and white photograph of a building facade. The building has a light-colored, possibly stucco, exterior. The words "HART HALL" are printed in a large, dark, serif font on the wall. Above the text is a decorative cornice with a row of dark, rounded elements. Below the text is a horizontal band with a row of small, dark, decorative elements. The building is set against a dark background, possibly a night sky or a dark courtyard. The lighting is dramatic, highlighting the texture of the wall and the architectural details.
