A black and white photograph of a double wooden door set within a stone archway. The door is covered with a decorative iron grille consisting of vertical bars with decorative finials and horizontal bars with decorative finials. At the bottom of each door panel, there is a large, intricate star-shaped lattice design. Above the door, a sign is mounted on the wall. The sign is rectangular with a black background and white text. The text on the sign reads "POSTED" in a small font at the top, "NO HUNTING" in a larger font in the middle, and "or TRESPASSING" in a smaller font at the bottom. The stone archway is made of large, roughly-hewn blocks. There are some plants and vines visible on the left side of the archway.
