File Unit 74: Photograph Album No. 74

Old Album Number: scr 9 vvv

Album Description:
Items 001-189. Pages 1-58. Items also attached to inside of front and back covers. Mostly photographs of various steam vessels. A few sailing vessels. Examples include C-TRADER (cargo vessel), ECHO (launch), HOWARD OLSON (cargo vessel), KOKUA (tugboat), MYRTLE (tugboat), NOME CITY (steam schooner), NORMA (paddle riverboat), NOYO (steam schooner), PHYLLIS (steam schooner), REG III (merchant vessel), SEA WOLF (tugboat), SHNA-YAK (steam schooner), SPORTFISHER II (power fishing boat), SUSQUEHANNA (merchant vessel), TAMALPAIS (steam schooner), VANGUARD (steam schooner), and more.

Mostly views of vessels underway, anchored, and dockside, some with deck loads. Three photographs (items 158-160) show PACIFIC QUEEN (ex BALCLUTHA) (built 1886; ship, 3m) laid up at Sausalito, California, in 1952. Nine photographs show the exterior of the San Francisco Maritime Museum as well as interior views of exhibited photographs and a ship model of FORT SUTTER (paddle riverboat). Includes a portrait (item 189) of Carl Christensen, Karl Kortum, and an unidentified man, with a pile of photograph albums. Four photographs (items 143-146) show a ship model of NECANICUM (steam schooner) under construction.

Some locations identified as Bristol Bay, Coos Bay, Humboldt Bay, Moss Landing, North Bend, San Francisco Bay area, and Tillamook. Unidentified locations possibly taken along the Pacific coast of North America, including California, Oregon, Washington and Canada, as well as Alaska.
